The ordinance is now after discussion and affirmative vote amended to state the following:

Section 24-6: Unreasonably loud or disturbing sound levels:

- (a) General prohibition.
- (b) Activities, conditions considered unlawful.
 - (1) Musical instruments or sound amplification equipment.
 - (2) Animal noises.
 - (3) Noisy vehicles.
 - (4) Garages and service stations.
 - (5) Noises near schools, churches, etc.
 - (6) Construction.
 - (7) Advertising.
 - (8) Continuous High-Intensity Mechanical Operations.
 - (a) The operation of facilities utilizing industrial-scale computing equipment, server arrays, digital asset mining equipment, large-scale computer, digital data and cooling systems, ventilation systems in a manner that produces continuous mechanical, tonal, humming, buzzing, or low frequency noise perceptible beyond the property boundary is hereby declared capable of constituting an unreasonably loud or disturbing sound level.
 - (b) Businesses engaged in using industrial-scale technology equipment described shall be limited to operating between the hours of 7:00 am and 7:00 pm Monday - Saturday and from 12pm to 7pm on Sunday and shall be located a minimum of 1,500 ft from any other residence, business, church or school.
- (c) Permits.
- (d) Penalty for violation.
 - (1) Civil fine.
 - (2) Criminal misdemeanor.

This ordinance shall be in full force and effect upon its adoption on July 9, 2026.
