Sanitation Policies

Trash

- The Town of Sylva provides curbside garbage collection to all Town residents.
- The timing of garbage collection depends on the location of your residence.
- Commercial garbage is not collected by the Town of Sylva.
- Garbage collection is for household waste only. Garbage must be bagged and tied to prevent spillage.
- Garbage must be at curbside by 7:00 am.
- Receptacles are not to exceed 35 gallons in size. They must have a tight-fitting lid, and are not to exceed 75 pounds in weight.
- Solid wastes that are dangerous to handle, such as glass, fluorescent tubes, or hypodermic syringes, must be securely wrapped and marked with a visible warning.

- **The following items will NOT be picked up:**
    - Liquids, motor oil, antifreeze, paint cans with wet paint in them.
    - Flammable liquids.
    - Car batteries.
    - Building materials.
    - Medical waste of any kind.

- PLEASE RINSE YOUR CONTAINERS WHEN THEY BECOME DIRTY.
